IAPS co-educational day/boarding school – 401 pupils

TEACHER OF SCIENCE (Maternity Cover) from September 2021

Twyford School has a long history yet recognises the importance of looking forward.

We are looking to appoint an inspirational Teacher of Science for a Fixed Term Appointment to cover Maternity Leave, Monday to Friday from 8.00 am to 4.20 pm.

If you are an excellent classroom practitioner and have the ability to teach up to Year 8 preparing pupils for Common Entrance and Scholarships, we would love to hear from you. You would be working in a purpose-built Science School, consisting of three well-resourced laboratories and a preparation room with a great team.

As well as a strong pensionable salary, we offer free parking, lunch whilst on duty, salary sacrifice and for those who want to keep fit, a cycle to work scheme.

More details are available on our website (www.twyfordschool.com) or you can telephone 01962 712269.

Interviews will be arranged as suitable applications are received so do not delay, apply today.

Twyford School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Applicants will be required to undergo our safer recruitment checks and child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service (DBS).
