HOUSEKEEPER

We are seeking to appoint a Housekeeper (or two or maybe even three as job shares) following the retirement after 29 years employment at Twyford School of the current postholder.

You are likely to be highly organised and calm and be someone who takes immense pride in their work. The role can be physical but seeing neatly folded laundry and clean tidy spaces at the end of each working day is very rewarding.

Twyford School is a very special School just outside the beautiful city of Winchester. We put the happiness and fulfilment of each and every child and member of staff at the centre of all we do. At Twyford it's the little things which matter.

We will work with the right candidate(s) to try and find a working pattern that suits you and the School.

Full details and application forms are available on the School website or Email kmatthews@twyfordschool.com or telephone 01962 712269

Interviews will take place as soon as a suitable field of candidates is obtained, so please apply early.

Twyford School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Applicants will be required to undergo our safer recruitment checks and child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service (DBS).
