	SEVERITY (Refer to Risk Assessment policy for definition)
5	Catastrophic
4	Severe
3	Moderate
2	Minor
1	Trivial

	LIKELIHOOD
5 Almost certain	It is expected to happen in most circumstances
4 Very likely	Will probably occur at some time, or in most circumstances
3 Possible	Fairly likely to occur at some time, or in some circumstances
2 Unlikely	It is unlikely to occur, but could at some time
1 Rare	May only occur in exceptional circumstances

RISK RATING							Summary COVID -19 RISK ASSESSMENT Jan 2022 in addition to usual school operating procedures & policy.	
LIKELIHOOD	5	5	10	15	20	25	Coronavirus remains a serious health risk. You should stay cautious to help protect yourself and others. <ul style="list-style-type: none"> Meet outside, or open windows and doors for indoor visitors If you have symptoms stay at home and <u>take a PCR test</u> Wear face coverings in enclosed places and with people you don't know Wash your hands with soap regularly, and for at least 20 seconds Get vaccinated, LFD test twice weekly 	
	4	4	8	12	16	20		
	3	3	6	9	12	15		
	2	2	4	6	8	10		
	1	1	2	3	4	5		
		1	2	3	4	5		
	SEVERITY							
Unacceptable		20-		25		STOP	STOP activity and take immediate action, seeking competent advice IMMEDIATELY	
High		14-19				URGENT action	Activity should not be started or continued until the risk has been reduced to a level that is as low as is reasonably practicable, seek further competent advice. if necessary, maintain existing controls RIGOROUSLY

		Stages 1-4 of Covid 19. This has been maintained. Key touch points in buildings and toilets				
1.		Testing On site asymptomatic testing x2 at start of term and LFD kits supplied for strongly encouraged twice weekly home testing of all staff and pupils in years 7 and 8. Use of staff portal and parent portal for easy reporting of results.	H	Staff regularly reminded of option to self-test at home using a freely provided lateral flow device in order to identify asymptomatic cases and reduce the risk of the virus spreading as a result. Staff and children will stay at home if they are experiencing signs of illness outlined on the NHS website https://www.nhs.uk/conditions/coronavirus-covid19/ and a test should be arranged if there is any likelihood of coronavirus. Parents will be asked to arrange a PCR test for any child who has symptoms and follow Govt and School guidelines.	L	Peripatetic team offered lateral flow devices from a plentiful supply. From Monday 17th January, pupils and staff may now return to school after serving 5 full days of isolation (after receiving negative tests on Day 5 AND the morning of Day 6 BEFORE attending school). This is a change from the previous rules where members of the community would have to wait until Day 8 (having

			3x3=9 M	Staff in school must follow the guidelines given on the NHS site if they are experiencing the signs and symptoms of COVID. They should inform SLT/HR immediately and follow the school procedures for sickness absence.		already tested negative on Day 6 and 7). The first day of self-isolation is counted as Day 0 and not Day 1.
2. Visitors will transmit or become infected with COVID-19	Children staff and anyone in contact with the above	<p>Visitors will be advised on our procedures, reminded to observe hygiene routines social distancing.</p> <p>They may choose to wear masks but we will advise them that currently staff are not wearing masks in school</p> <p>Facilities for visitors will be limited to areas where there can be adequate social distancing and limited cross over with other groups (meeting spaces will be planned to support this)</p>	3x3=9 M	<p>Sporting fixtures and programme of visitors are reviewed if any positive cases within the relevant year group.</p> <p>Any adult contractor visitor/ visiting speaker will be asked at reception if they have tested recently; are symptomatic or have been in close contact with anyone who is. If need be the event will be rescheduled.</p> <p>Staff accompanying visitors will respect social distancing.</p>	2x3=6 L	<p>Mask wearing has been reviewed due to rates of infection with Omicron variant. Adults can wear masks except when eating and drinking.</p> <p>Any external contact on site and off will be reviewed. Schools are good at informing each other when increased Covid cases before matches and tournaments.</p>

4.		Room arranged with children facing forward as learning requires. Children discouraged from bringing in any additional items from home environment unless these are absolutely necessary.		Dining room seating in pre-arranged year areas at scheduled times. Cleaning maintained between year groups. During Art and DT lessons pupils wear a face mask or clear named face visor as tables can't be arranged to face forward. Suspended since 20 th Jan		Spacing children as far apart as facilities can allow
4.		Children should work/play outside as often as this is possible. If not outside children should be in well-ventilated areas. Doors and windows should be kept open to allow fresh air to circulate. When temperatures are too low to allow the classroom to remain comfortable enough to learn in, windows and doors will be opened for a minimum of five minutes between lessons to allow fresh air to circulate.		CO2 monitors acquired for placement in PP Forest Lodge rooms
